

Eiland Elementary School STANDARDIZED DRESS CODE

Dear Parents:

Our students always look wonderful in their uniforms. I know parents find it easy to get their children ready for school with no fuss over what to wear. *Most importantly our students can focus on academics, not fashion.*

The standardized dress code was approved by the Klein ISD Board of Trustees and selected by Eiland Elementary parents as the preferred dress for students. Please refer to the Dress and Grooming section of the student handbook for General Requirements for All Students.

We request your help with making sure your child is wearing the uniform clothing for Eiland Elementary everyday. We are teaching students to follow all rules including standardized dress and the dress code.

**Children who learn to follow the rules
with a good attitude are happier as adults.**

Procedures for Dress Code Infractions:

First time infractions: Students receive a warning, note or phone call home from the teacher

Repeated infractions: Parents will be notified and requested to bring the appropriate apparel to school or to pick up the student. If the parent cannot be contacted, the student will not be permitted to attend classes for the remainder of the day. The student will complete his/her class work in the office. The student may be asked to change into uniforms from the school lending closet.
