What is StudentNet?

- ◆ One-stop shop of valuable online student resources—easy access to research databases, eBooks, and other websites
- ◆ Access available from school and home:
 - ◇ School: <http://studentnet/>
 - ◇ Home: <http://www.kleinisd.net/studentnet/>
- ◆ Teachers see KNET as their internet browser's homepage; students see StudentNet as their homepage.

Find a Book—District's Online Library Catalog

- ◆ Search all campus libraries or by your specific campus for books in the library collection

Other helpful features:

- ◆ Copyright information
- ◆ Student-friendly search engines
- ◆ Citation generators so students can credit their sources
- ◆ Links to Primary Sources, copyright friendly images

E-Books

OverDrive— Contains mostly high interest fiction for recreational reading; To access, students need:

Library Card Number: S+ID Number (ex: S123456)

PIN: Last 4 digits of Student ID Number (ex: 3456)

Capstone Digital—All titles are narrated; Subjects cover science, social studies, biographies, and many fairy tales are included

MackinVIA—Nonfiction titles; the text of each books is searchable; citation information is provided

Infobase—Non-fiction titles for secondary only; Citation information is provided; Ability to download portions that are needed

Britannica E-STAX— Nonfiction titles covering science, social studies, art, grammar; Spanish language and bilingual books available

EBSCO eBooks—eBooks are more suitable for older grades, but it includes Explora, a reference and periodical article source

Research TOOLS

- ◆ Subscription services that provide credible, reliable information
- ◆ Information comes from reference books, periodicals, encyclopedias, etc.
- ◆ Remove the guesswork out of finding sources — Unlike Googling
- ◆ Access to articles, images, audio, video, and citations for sources used
