Brill Birthday Guidelines

Pursuant to state law, KISD permits parents/guardians or grandparents to supply a birthday snack for their child's birthday. The following guidelines apply to such snacks:

Birthday snacks will be distributed at the end of the lunch period, after students have had a nutritious meal as defined by the School Lunch Program and the Texas Department of Agriculture.

Written consent from a parent/guardian must be obtained from each student before a student will be permitted to have a birthday snack.

The Klein Food Service Department with advance notice, will prepare cupcakes, cookies, or provide ice cream at cost to the parents of the birthday child. The Food Service will need a two week notice and items must be paid for before they are distributed to the class.

No outside birthday treats are allowed on campus.
