

KLEIN INDEPENDENT SCHOOL DISTRICT

2009 Elementary Summer Library Recreational Reading Program

Klein Independent School District will open eight elementary campus libraries June 15 – July 23 to provide students opportunities to improve and maintain literacy by participating in summer recreational reading activities.

Program activities will include resources and materials provided each summer at no cost by the Texas State Library and Archives Commission to encourage summer reading and visits to a library.

Table with 5 columns: Campus, Telephone, Day of the Week Open, Program Hours, Dates. Lists 8 campus libraries with their respective contact info and schedules.

Address verification is required of Klein ISD residents whose children attend home or private schools. (A lease agreement, electric, water, or natural gas bill may be used.)

Students follow the same Klein ISD rules of conduct and dress that apply during the regular school year. Food, pets and swimming attire are not permitted.

Parents and guardians must sign an Acceptable Use Policy form to be filed at each library used if their children did not attend Klein ISD schools during the regular school year and are not permitted to access Internet-filtered resources.

Registration Form For Students Not Enrolled In Klein ISD Schools 2008 – 09

(Complete, Detach, and Return to Librarian at Any Campus Visited)
