### Mittelstadt Spirit Night Earns $1600 at Zaxby's

Thanks to all who came out and supported our first Spirit Night at Zaxby's. We really showed our school spirit, it was a huge success! We exceeded all their expectations; some of you may know that by the wait. They assured us next time they will have that "chicken flyin' out of the kitchen!" A special thank you to our wonderful volunteers for the evening: Joel Smith, Frances Walsh and Nancy Westfall. You ladies were a huge help! **Mark your calendar for our next Spirit Night at Double Dave's on November 10th.**

For every 5 items sold, students have their names submitted in a drawing for gifts cards worth $15, $25, and $50. The top seller will get to be "**Principal for a Day**" and the second top seller will get to be "**Assistant Principal for a Day**". Sally has great ideas for birthdays and for the upcoming holidays, so get out there sell sell sell!!!

**Look for our 2009-10 directory coming in the Tuesday**

### Message from Joel Smith

PTO President

We are off to a great start. This is the second in a three part series. **What is PTO?**

**2. PTO is about Teachers!**

Everyone knows a happy teacher makes a successful classroom of students. The teachers love their Wish List Gifts of $100 which are passed out in the fall. The monies help purchase classroom or grade level supplies. PTO Grants are also available for teachers to make requests for project or materials. Funds are contributed to help with technology, library & science lab costs. To keep our staff feeling extra enthusiastic, we treat them to monthly lunches or delicious treats. Patriots are always generous.
