

Northampton Elementary
November 2009

This Month's Events

Please remember to purchase ear buds for your student.

4th - Pictures Retakes

20th Fall Craft 2:15

23rd -27th-Thanksgiving Holidays

What we're Learning About

Reading- We are learning strategic reading strategies such as order of important events, making inferences, and author's point of view.

The focus of language includes capitalization and expository writing.

Math- We are studying multiplication meanings (arrays, patterns, factors, multiplication stories, and problem solving).

Science- We are continuing to explore forces and simple machines. Forces that change earth and its landforms such as weathering and erosion are being investigated as well.

Social Studies- We are learning about good citizenship, local and state governments, and the 3 branches of government.

Teachers

Mrs. Debbie Burnam

Mrs. Anita Fenner

Mrs. Sandy Fry

Mrs. Linda Juneau

Mrs. Barbara Mathews

Mrs. Tissey Schoech

Mrs. Ginger Tickle

Mrs. De Novak

Parent Tips:

1. Please send ear buds or \$2 to purchase these in the school store. These are needed for weekly technology lessons.
2. Practice spelling words nightly.
3. Practice math facts nightly (Addition, Subtraction, and Multiplication—see websites below).
4. Read nightly with your child minutes. for 15-20

Websites Worth Visiting

For help with addition and subtraction facts, try these websites for flashcards, games, and more.

www.coolmath4kids.com

www.dep.anl.gov/aattack.htm

Terrific site for all subjects. This is our reading and science book publisher.

Author's name "Jones" is an easy password to use.
