- *Counting songs
- *Leaf patterns & sorting
- *Graphs
- *Build 3D shapes

Fine Arts

- *Macaroni pattern necklaces
- *Painting turkeys
- *Finger plays
- *Songs

A Note From the Teachers

This month we will be learning about different holiday celebrations and how we all have different traditions. We will learn about the change in the seasons and the foods that are now "in season". We will also learn about the five senses and how to explore and make discoveries using them. As always, if you have any questions email your students teacher. We would be happy to answer any questions.
