

## OPERATION INTERDEPENDENCE: Remembering our Troops

Schultz is a patriotic school. Red, white and blue are our school colors and the eagle is our mascot.

In commemoration of September 11 and in honor of our military serving all around the world, we will be writing notes, drawing pictures and sending baggies of “goodies” to our troops. This project will continue all year long.

Operation Interdependence volunteers sort and package quart size individually packed items (50 baggies to a box). If you and your family would like to be a part of this special effort, bring items that will fit into a quart Ziploc bag to the “patriotic” box outside the library office. You do not have to put your “goodies” in a plastic bag; just place them in the big patriotic box on the table.

### Items needed:

Travel size or hotel size toilet articles, i.e. shampoo, lotion, toothpaste  
Small packages of moist wipes (baby wipes)  
Chap stick  
Chewing gum  
Individual packets of hot sauce, taco sauce, catsup, etc.  
Small note pad, ink pen  
A letter or card

Most everyone knows a friend, a neighbor or family member who is serving in the military. Some of our teachers have husbands, sons, and close friends serving in the Persian Gulf area. Schultz wants to make a difference and let a few brave soldiers know that they are not forgotten. Our Schultz community really cares and we can make a difference.

PS

The lines around this letter are the size of the Ziploc bag. Please make sure your items will fit inside this area.
