Dear Parents:

At the KISD Board of Trustees meeting on November 15, 2007, the Board voted to modify, effective immediately, the current high school student handbook in regard to graduation ceremonies. Attached for your information is the modified student handbook section.

In addition to the commencement ceremony to be held on Saturday, June 7, 2008, KISD will host a district-wide summer commencement ceremony on Saturday, August 23, 2008. Specific details regarding the commencement ceremonies will be forthcoming.

To participate in either graduation ceremony, a student must have satisfied all graduation requirements including the completion of state credits and the successful passing of all sections of the state exit-level assessment.

A meeting with our prospective 2008 graduates was held on November 19, 2007.

Please contact your child's counselor if you have questions at this time.

Sincerely,

Peggy Ekster  
Director of Vistas High School Program
