Counselor recommendation is required and students must attend first session, all day. Class size is limited to 16 students. Course is tuition free and transportation will be provided, if needed, for eligible students.

*With counselor approval if only one SSI subject is needed

TRANSPORTATION PROCEDURES AND FEES

Session 1: The following elementary schools will be pick-up and delivery sites for summer school students to Klein Intermediate on KISD buses: McDougle, Kaiser, Klenk, Greenwood Forest, Epps Island and Eiland. If an intermediate student is only attending one class (section), the parent must make other arrangements for transportation. Transportation will be provided at no charge for Credit Recovery and SSI students who attend Wunderlich or Klein Intermediate School. Details will be available at registration.

Session 2: Transportation to Krimmel Intermediate

Each elementary school will be a pick-up and delivery site for Summer School students to and from Krimmel Intermediate School, on Klein ISD school buses. **The fee will be \$100 for Session 2.** Transportation fees must be paid in full at the time the bus pass is purchased.

GRADING PROCEDURES

For students who failed English language arts, mathematics, social studies or science, credit for the failed course will be earned with a passing summer school grade.

COURSE AUDITING

With the approval of the summer school session principal, students who have not met minimum expectations on a section of their most recent TAKS may audit those classes, space available only. Students who audit a course to improve skills will not have changes made to prior grades. Tuition of \$180 applies.

ATTENDANCE REQUIREMENTS

Attendance in summer school is critical because of the increased class time per day. Any student absent **more than two (2) days** will not receive credit for that session. All other rules and regulations in the *Klein ISD Intermediate School Handbook* will be in effect.

LUNCH PROCEDURES

Breakfast (\$1.10) and lunch (\$2.00) will be available for intermediate students daily. Lunch may be brought from home or purchased in the cafeteria. Students who qualify for free or reduced breakfast/lunch during the regular school year will be provided the same service during the summer program.
